

**AWESOMENESS APPROVED**

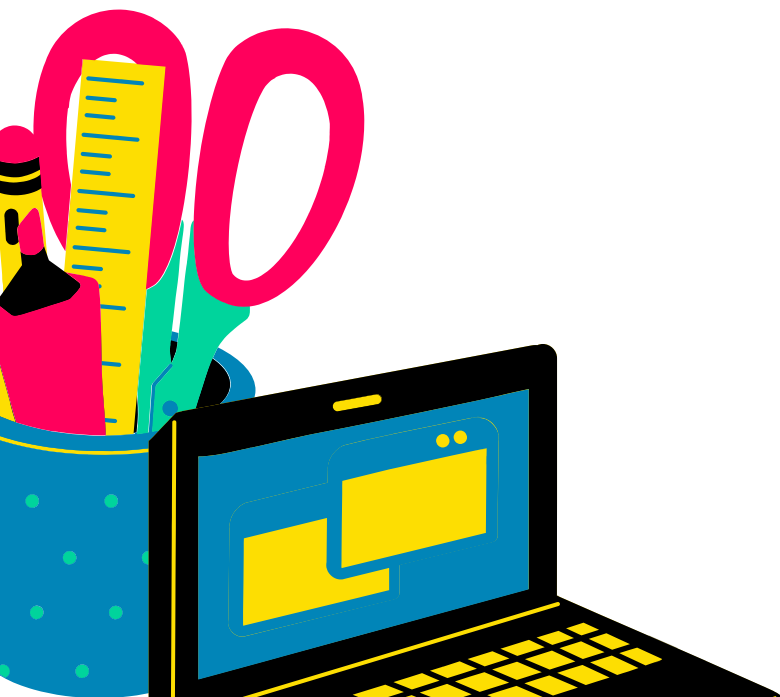

Dear Narashiman P

This letter may find you in the pink of your health! We've always known one thing about you for sure is that you are a finisher.

It feels really amazing to launch such rewards program when it is the people like you claiming it on the other side.

You made it till here, we definitely want you to go up till there. With this said, we present you the official Bluepen Merchandise.

***STAY AWESOME  
WARM REGARDS,  
TEAM BLUEPEN***
